

# What is Litchfield County Leaders Under 40?

Litchfield County Leaders Under 40 is a magazine publication featuring young people in the Northwest Corner of CT who are making exceptional contributions to the region both personally and professionally.

Over 100 nominations were submitted by the public and a panel of local leaders judged the nominees using the following criteria:

- *Career or educational achievement to-date*
- *Commitment to excellence in their industry*
- *Leadership within their organization*
- *Involvement in the community*
- *Leadership in community organizations*
- *Potential impact to the community's future*

The 40 individuals who were selected to be honored have gone above and beyond to make this region a better place in which to live and work. The goal of this publication is to demonstrate to other young people the various opportunities that exist for them in Northwest Connecticut and will highlight our great, vibrant community. Ultimately, we would like to see the number of young people who remain in this region increase.

The individuals being featured will be honored at an awards dinner on July 26th.
