It is little wonder that this country is one of the world's best-loved destinations and that two-thirds of the world's historical artistic heritage is in Italy. Whether it's culture, gastronomy, cutting-edge design, sybaritic pleasures or simply the art of dolce far niente, doing nothing and just soaking up the atmosphere, this is a country for lovers of all that is good in life. The Amalfi Coast's mixture of history and nature are yours to discover from the Cathedral of Amalfi, to the villas in Ravello and the numerous churches built during the historical period of Amalfi's Republic. From Galli's Isles in front of Positano to the Emerald Grotto, the Amalfi Coast will captivate you with its warmth and beauty.
