

be homeful for the holidays

This season the **Connecticut Coalition to End Homelessness** is challenging all **169 TOWNS** to help families across our state.

This year, it is more important than ever to keep families safe in their homes. The *be homeful project* ends family homelessness in Connecticut before it begins with one-time emergency financial assistance and dedicated case management.

For Every
\$25
Raised

a child in a shelter will receive a Paddington™ plush bear and the money will help keep a family home.
